How do I pay the USCIS Immigrant Fee?

U.S. Citizenship
and Immigration
Services

If you are immigrating to the United States and will be admitted as a lawful permanent resident, you must pay the \$165 USCIS Immigrant Fee. You will need to use the USCIS Electronic Immigration System to pay this fee. We strongly encourage you to pay this fee **after** you receive your immigrant visa packet from the U.S. Embassy or consulate abroad (including Canada and Mexico) and **before** you depart for the United States. Paying before you depart for the United States will ensure that you receive your Permanent Resident Card (commonly referred to as a Green Card) without delay.

What is the USCIS Immigrant Fee?

The USCIS Immigrant Fee is \$165. USCIS uses this fee to process your immigrant visa packet once you arrive in the United States. The fee also covers the cost for USCIS to produce your Green Card.

Please Note: You have to pay separate fees to the Department of State (DOS) and USCIS. You must pay your immigrant visa application fees to DOS and your USCIS Immigrant Fee (\$165) to USCIS.

How do I pay the USCIS Immigrant Fee?

1. Attend your appointment at a U.S. Embassy or consulate

- Receive a handout that explains how to pay the USCIS Immigrant Fee. Please keep this document with your records because it contains your personal immigration information.
 - At the top of the handout, you will find your:
 - **Alien Registration Number** (the letter "A" followed by 8 or 9 numbers. For example: "**A0123456789**"); and
 - **DOS Case ID** (3 letters followed by 9 or 10 numbers. For example: "**ABC1234567890**")
- Please note:** For Diversity Visa (DV) immigrants, the DOS Case ID will have 4 numbers followed by 2 letters followed by 5 numbers. For example: "**1234XY12345**."
- Receive your sealed immigrant visa packet.

2. Pay the USCIS Immigrant Fee

- Go to www.uscis.gov/uscis-elis to review USCIS online filing resources.
- Select "**Log in.**"
- Next, select "**USCIS Immigrant Fee.**"
- Enter your **Alien Registration Number** and **DOS Case ID**, found at the top of your USCIS Immigrant Fee handout. If you are paying for additional family members, you can add their Alien Registration Numbers and DOS Case IDs.
- Provide a valid credit card (Visa, Master Card, American Express, or Discover Card), debit card, or U.S. bank checking account information (account number and bank routing number).

If you are unable to pay the USCIS Immigrant Fee yourself, you may choose someone to pay the fee for you. For example: a family member, friend, employer, attorney, or accredited representative.

What happens after you arrive in the United States?

1. Arrive with your Immigrant Visa Packet at U.S. Port of Entry

- You are admitted to the United States as a lawful permanent resident by U.S. Customs and Border Protection (CBP).

2. Receive your Green Card (Form I-551)

- After you are admitted to the United States, USCIS will verify that you have paid the USCIS Immigrant Fee and mail your Green Card to the U.S. address you provided to DOS at the time of your immigrant visa interview or to CBP when you were admitted to the United States.
- If USCIS does not have a record showing you paid the USCIS Immigrant Fee, USCIS will send you a notice with instructions on how to pay the fee.
- If you paid the fee before coming to the United States and do not receive your Green Card within 45 days after being admitted to the U.S., please contact us through our online help form at <https://egov.uscis.gov/cris/contactus>.

- You can also schedule an InfoPass appointment with your local office if you have a question or need further assistance with your case. To make an InfoPass appointment, go to <https://infopass.uscis.gov>.

What should I do if I move to another U.S. address after I arrive in the United States?

- USCIS will only mail your Green Card to the U.S. mailing address you provide to the Department of State at the time of your immigrant visa interview or to the CBP officer when you are admitted to the United States. If you plan on living at a different U.S. address immediately after you enter the United States, please give that address to the CBP officer to ensure that your card arrives at your new home.
- If you move after you arrive in the United States, please update your address with USCIS by visiting www.uscis.gov/addresschange or by calling the National Customer Service Center at (800) 375-5283. Also, we recommend that you update your address with the U.S. Postal Service by visiting your local U.S. post office or online at www.usps.com/umove.

Tips on paying the USCIS Immigrant Fee

1. **Anyone** may pay the USCIS Immigrant Fee for you. This includes attorneys, accredited representatives, family members, friends, and employers.
2. **A-Number.** If your Alien Registration Number is fewer than 9 digits, insert a zero after the "A" and before the first digit to create a 9-digit number. For example: "A12345678" would become "A012345678".
3. **Navigating on Your Computer While Paying the Fee.** **Do not** use your computer's "Back" button when paying the USCIS Immigrant Fee. This may cause errors. Instead, use the navigation buttons in the system to go forward or backwards.
4. **Submitting Your Payment.** Click on the "Submit Payment" button only **one time** for each USCIS Immigrant Fee you are paying. If you click the button more than one time, you may end up paying the fee multiple times.
5. **Online Payments Only.** You must pay the USCIS Immigrant Fee online. USCIS will not accept payments by mail.
6. **Print a Copy for Your Records.** We recommend that you print a copy of the fee transaction and the payment receipt for your records.

What if I cannot pay my USCIS Immigrant Fee before I depart for the United States?

If you are unable to pay the USCIS Immigrant Fee before you leave to come to the United States, you must pay this fee after you are admitted to the United States. If USCIS does not have a record showing you paid the USCIS Immigrant Fee, USCIS will send you a notice with instructions on how to pay the fee.

Please Note: You will not receive your Green Card until you have paid the USCIS Immigrant Fee.

How do I know if I have to pay the fee or if I am exempt from paying the fee?

If DOS issued you an immigrant visa and you are applying for admission to the United States, you must pay the USCIS Immigrant Fee unless you are exempt. DOS will notify you if you are exempt from paying the fee.

The following immigrants generally are exempt from paying the USCIS Immigrant Fee:

- Children who enter the United States under either the Orphan or Hague adoption programs;
- Iraqi and Afghan special immigrants;
- Returning residents (SB-1s); and
- Individuals who are issued K visas.

What happens if I fail to pay the fee?

USCIS **will not** issue your Green Card until you have paid the USCIS Immigrant Fee. Once the fee is paid, USCIS will process your payment and issue you a Green Card.

After you arrive in the United States, you will receive a stamp in your passport that validates your admission as a lawful permanent resident. The stamp is valid for 1 year. Once this stamp expires, you will need your Green Card as evidence of your lawful permanent resident status.
